Principal's Report

Mrs O'Rourke continues to recover from her recent surgery. As you are probably aware, Mrs O'Rourke has decided to accept a Relieving Teaching Learning Consultant's position in District Office in Bathurst. We wish her every success in this position.

Confirmation as to who will take up the relieving position for Zig Zag in 2011 is still to be advised.

THANK YOU to Miss Cribb and the children who participated in the **Combined Schools Carols** at Lithgow High School on Monday night.

This week also saw the announcement of our **Stephanie Alexander Kitchen Garden project** following a submission put in earlier this year by Mrs Corney & Mrs O'Rourke. This program is designed to promote healthy eating in small children by involving them in the process of growing, harvesting and preparing food.

This will involve a huge input into a vegetable garden and cooking facilities.

The related educational experiences will be wonderful for the children.
